

DUKAN

EXPLORE A GOOD LIFE

DUKAN opens new store at Rocha Pinto, Luanda on 13th Decembre 2023. The year started with a punch, opening stores in Fresmart (grocery supermarket) and other provinces, taking the total stores to 32 to date in Angola. Consumers will now enjoy products of DUKAN to meet their lifestyle need.

Driven to innovate and deliver newness, DUKAN continues to push boundaries to embody the values, aspirations, interests, and attitudes of youthfulness. It continues to be a trendsetter rather than a fad follower and this is the attitude reflected in each and every product of DUKAN.
