

NCF organizes Basketball Championship for the Community in Maianga municipality

Noble Care Foundation organized basketball championship to motivate young kids at school level. The community kids had a chance to interact with the mainstream kids. The activity ran for 45 days. More than 500 kids participated and exchanged ideas and learnt the art of working in groups and also how to face competition at the same time.

NCF has planned similar events in 2024, targeting primarily the schools that have no sports facility.
