

NCF SUPPORTS School Children and Street Kids

Noble Care Foundation has a calendar of activities for School and Street Kids every year. From organizing sports competition to giving out gifts, training street kids on the values of embracing good civic sense and child labour hazards, NCF has championed over the years on shaping kids. Though, these are baby steps, nonetheless important to make a beginning towards building a much needed ecosystem. Creating equitable learning environments for teachers and students in under-resourced communities in a supportive way.

It is crucial to champion the inherent dignity of kids and the quality experiences they can have throughout their education career !
