

## **Special Dental Clinic**

Place- AngoMart Talatona

Opened : 7<sup>th</sup> October, Saturday 2023

**Special Dental Clinic** was opened in AngoMart ( Retail grocery supermarket), Talatona to extend services to our esteemed clients basic tooth check-up.

### **Objective**

Brand **Special** Toothpaste taking a step forward in sensitizing the general public on routine dental health check-up.

Keeping the same objective popular tooth paste brand “Special” planned a pilot project at AngoMart-Talatona, with a clinic for basic tooth check-up. This was first of its kind in Angola.

Noble Group continues to partner for the right cause for all inclusive growth focusing to build a healthy community.

### **How it works**

To make it a scientific integrated project, brand Special partnered with retail brand AngoMart.

A customer can avail this opportunity , with a minimum amount of purchase of goods at AngoMart, and get a free basic tooth check-up and consultancy by a dedicated Dentist stationed at the Clinic for free.

Further, if there is any critical case to be addressed, the Dentist at Special Clinic will refer the case to a bigger set-up, where one can take up further treatment. Here the customer gets a 20% off from the normal rates at the specialized dental clinic.

The Clinic will be open Monday to Saturday from 10 AM – 16 Hours, subject to review.
