

Giving 'Hope' to physically challenged persons

NCF commitment to empower community serves best when the approach is inclusive in nature. More than 80 Tri-cycles were given out in total across different regions/ province. Celebrated musician who himself is physically challenged graced the occasion with his charisma and music. Enthusiasm was visible on the faces of the people, as tri-cycles were given out. More than 500 people attended the function.

These donations were carried out at Skwanza, Sau Paulo areas in Luanda province. NCF has a planned calendar of events, especially for the physically challenged people in the country.
